SUMMARY

Motivated Python Full Stack Developer specializing in Django, React.js, and MySQL. Strong foundation in building responsive user interfaces, designing RESTful APIs, and developing efficient database schemas. Eager to apply hands-on project experience and solid object-oriented programming principles to high-impact web development teams.

SKILLS

Front-End: React.js, JavaScript (ES6+), HTML5, CSS3, SASS/SCSS.

Back-End: Python, Django, Django REST Framework, RESTful APIs, MySQL, SQLite3.

Tools & Platforms: Git, GitHub, GitLab, Webpack.

Others: Performance Optimization, Responsive Design.

PROJECTS

Food Delivery Website

Tech: Django, React.js, MySQL,

Github: [Quick_Cart](#)

- Developed a food delivery web application using Django, React.js, and MySQL.
- Implemented user login, menu management, and online order functionalities.
- Designed a responsive interface for customers and administrators, while efficiently managing order details and database operations.

AI Invitation Generator

Tech: JavaScript, CSS, HTML

Github: [Invitation-Generator](#)

- Developed an invitation generator for creating customized invitation cards.
 - Designed an interactive user interface using HTML, CSS, and JavaScript.
 - Generated invitation content dynamically based on user inputs, simplifying invitation creation through customizable templates.
-

TRAINING & CERTIFICATIONS

Python Full Stack Development Training | 18 Nov 2025 – 05 Apr 2026

Completed full-stack web development training focused on Python, Django, React.js, and relational databases at Login360 Software Training Institute. Acquired comprehensive end-to-end software development skills through hands-on project building and real-world application architectures. Prepared to design RESTful APIs, manage relational database schemas, and develop responsive frontend interfaces.

EDUCATION

Bachelor of Commerce in Information Technology | 2019 - 2022

Nehru Arts and Science College, Coimbatore

Master of Commerce | 2023 - 2025

Sri Krishna Adithya College of Arts and Science, Coimbatore
